CARLSON SOFTWARE DISTRIBUTOR

Quick Supply Company Authorized Dealer of Carlson

Des Moines, Iowa, March 2021 - Quick Supply is proud to announce its recent partnership with Carlson Software. Carlson is a one-source software and technology solutions provider specializing in **CAD** design software, field data collection, laser measurement, GNSS, and machine control products. With this partnership, Quick Supply continues to expand our services and offer cutting-edge technology and software.

Quick Supply Company is a third-generation family-owned business serving the explosives services, erosion and sediment control, stormwater management, geosynthetic and hardscapes industries. We are excited to work with a fellow family-owned business, Carlson Software.

For more than four decades Hale Holdings, owner of Quick Supply Company, ASP Enterprises, Bowman Construction Supply and Cascade Geosynthetics, has been a resilient organization of growth. Quick Supply has served the blasting and explosives services industry with expertise and integrity. We are a full-line distributor of explosives products, engineering services and now innovative technologies. Our mission is to operate with safety at the forefront and ensure optimal blasting outcomes for the customers we serve.
